- warning will be given from **7 days** before it expires

Password expiry

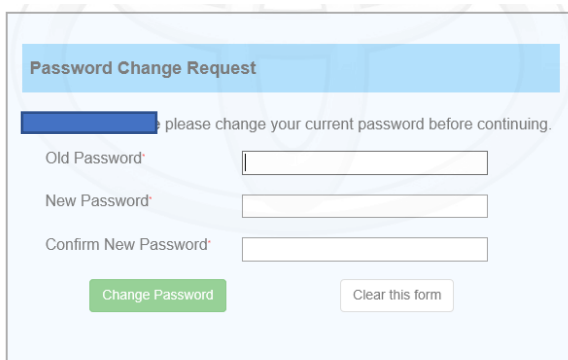

- after **7 Months** (210 days) of no activity an account will be suspended/disabled
- ACTION** - call TME Service Centre or your Local IT support to reactivate the account

Dormant process

- after **13 Months** (400 days) of no activity an account will be deleted
- ACTION** - raise a request in Service Now for a new account

If you are a First-time user, then **set your own password.**

- Access <https://mytoyota.toyota-europe.com>
- enter the credentials received from your IT department or TME Service-centre
- Enter new Password (make sure you follow the password structure mentioned above)

The screenshot shows a web form titled "Password Change Request". At the top, there is a blue header bar with the title. Below the header, a message reads: "please change your current password before continuing." The form contains three input fields: "Old Password", "New Password", and "Confirm New Password". At the bottom of the form, there are two buttons: a green "Change Password" button and a white "Clear this form" button.
